Baden-Powell and St Peter's C of E Junior School (September 2025 – present)
Higher Level Teaching Assistant (HLTA)

- Deliver planned learning activities for whole classes, small groups, and individuals, complementing the work of qualified teachers.
- Support pupils' academic, social, and emotional development by promoting independence, positive behaviour, and high expectations.
- Contribute to lesson planning, preparation of teaching resources, and assessment of pupil progress.
- Maintain an engaging and inclusive classroom environment while liaising effectively with teachers, senior leaders, and parents.

Baden-Powell and St Peter's C of E Junior School (December 2022 – August 2025)

One-to-One Teaching Assistant

- Provide daily in-class and out-of-class support to children with special educational needs (SEN), ensuring academic engagement and emotional well-being.
- Maintain clear communication with class teachers, senior leadership, and parents to support student progress.
- Build strong, trusting relationships with pupils to recognise signs of dysregulation, offer calm-down support, and reintegrate them back into the classroom effectively.

TSR Education Supply Rooms (September 2022 – December 2022)

Cover Teaching Assistant

- Provided flexible classroom support across multiple schools, either through pre-booked assignments or same-day emergency cover.
- Adapted quickly to different school environments and year groups, ensuring continuity of learning and classroom management in the absence of regular staff.

Boxhill school (September 2021- July 2022)

Resident Sports Coach & Houseparent

- Held a dual-role position combining pastoral care and sports education for 25 male students aged 15–19.
 - Provided direct duty of care, addressed pastoral concerns, supported students academically and emotionally, and maintained regular communication with parents.
 - Delivered and supported PE lessons following teacher plans, managed sports-related administration (e.g. exam sign-ups), introduced new sports to
-

enhance curriculum inclusivity, and contributed to updating the school's sports scholarship programme.

Boxhill school (September 2019 – July 2020)

Sports Teaching Assistant

- Supported PE lessons through in-class assistance and lesson cover, ensuring smooth delivery of the curriculum.
- Contributed to the wider school community by assisting both boarding and day students.
- Provided cross-departmental support as needed, adapting to various roles across the school environment.

Compass Racecourses (May 2017 – summer 2019)

Bar Staff & Waiter - Epsom Downs and Sandown Racecourse

- Worked across racecourse venues providing high-quality bar and table service in fast-paced hospitality environments.
- Maintained professional bar standards, handled cash and card transactions accurately, and delivered excellent customer service throughout events.

Sainsburys kiln lane (Christmas period 2017)

Floor Staff

- Maintained product displays to a high standard, ensuring a clean and organised shop floor.
- Assisted customers with enquiries, offering helpful and informed support to enhance their shopping experience.

Chessington world of adventures (September 2015 to October 2015)

Retail host

- Delivered excellent customer service while operating tills and handling transactions, including cash and card payments.
- Maintained shop appearance to a high standard and ensured shelves were consistently restocked.
- Developed strong communication and retail skills in a customer-facing environment.

WORK EXPERIENCE

Epsom General Hospital:

- Consisted of shadowing and providing aid to doctors on their rounds. As well as observing different test and scans they carry out in the radiology department

Epsom Atkins:

- Consisting of providing aid and observing a construction project as well as gaining new skill using the software, I was able to create a 3d moveable fan key ring.

NatWest Future Careers Undergraduate Programme (2025)

- Completed an intensive week exploring how technology, design thinking, and collaboration shape modern financial services.
 - Gained hands-on experience in sales pitching, product discovery (double diamond framework), and AI ethics.
 - Delivered multiple team pitches, boosting public speaking confidence.
 - Explored practical AI use cases (fraud detection, productivity tools like Copilot), and deepened understanding of secure AI deployment.
 - Learned about digital payment flows, Open Banking, and real-world challenges in payment systems.
 - Connected directly with industry mentors for tailored CV and LinkedIn feedback.
 - Left with practical insights into combining technical skills, design thinking, and cross-team collaboration to build customer-focused solutions.
-
- Driver's license
 - Level 1 gym instructor (May 2017)
 - FA Level 1 coaching
 - FA Emergency first aid (Jan 2019)
 - Safeguarding children (Sep 2020)
 - Fa talent identification
 - Silver DofE
 - DBS checked (September 2023)
